Arrival by car

From the A9 motorway from Nuremberg you will come directly to Munich Schwabing. If you are coming from Munich Airport on the A92, change to the A9 at the junction. In Munich Schwabing, turn right into Schenkendorfstraße, then turn left into Leopoldstraße, which you follow until you reach the Staatsbibliothek, then turn right into Theresienstraße and drive straight on until the fifth junction. Here you turn left into Luisenstraße and continue straight ahead until shortly before the main station, where you turn right into Arnulfstraße. When you pass the main station, you will find our building, the "Hopfenpost", on the right-hand side, directly after the crossroads at the level of the Paul Heyse underpass. The entrance is on the side of the building.

You will find parking facilities directly here in the underground car park with entrance at Hopfenstraße 6. You can reach our office on the 3rd floor via staircase 2.

Arrival by train

Our office is located directly at the central station in Munich. Leave the main station on the north side in the direction of Arnulfstraße. Turn left into Arnulfstraße until you reach the first major intersection. Here you will find us diagonally opposite in the side entrance of the "Hopfenpost".

Arrival by plane

At Munich Airport, take the S1 or S8 towards the city centre. The journey takes about 40 minutes. Get off at the main station and leave the station on the north side towards Arnulfstraße. You can also take the Lufthansa Airport Bus from Terminal 1 + 2 directly to the central station.
